Oh-oh, ooh, oh-oh
Mm-mm, hmm-mm
Please (Romano)
Oh yeah (OG Parker)

Steady actin' like you want it
I done gave you plenty warnings
Fucked around and let you taste this gushy
And now you actin' like you never had good pussy
And you might get obsessed
If I let you take off my dress
What's between my legs
You didn't know that it could get you hooked like that

Straight crack
I'm telling you, it's crack
I'm warning you, it's crack
Pure smack
Have you on the track
Keep you coming back
Straight crack
I'm telling you, it's crack
I'm warning you, it's crack
Pure smack
Have you on the track
Keep you coming back
Straight crack

I tried to tell you, it's addictive
Hard-headed, wouldn't listen
One hit'll get you lifted
But one too many times will leave you twisted
It's a lot to handle for a rookie
It's gon' knock your ass out like a bully
You really shouldn't try it prematurely
Take your time, baby, trust me
'Cause it's
