

# Lemons

Muni Long

I've got a story I wanna tell you  
There's a happy ending, but in the beginning  
We were penny pinchin', down in the trenches  
We were on a mission, tryna break the tension

With these lemons we made  
The sweetest lemonade  
(Oh)

On the edge of defeat, I was on the edge of my seat  
When you swept me off of my feet, like magic  
(Oh)  
In the heat of it all, we were like the leaves in the fall  
Me on top of you on the ground  
It's magic

I'm proud to be a part of something sweet  
I'm proud to say, we still got lemonade  
With these lemons we made the sweetest lemonade  
With these lemons  
The sweetest lemonade  
With these lemons  
The sweetest lemonade

Over for hinting, past all convention  
Full of apprehension, you were so convincing  
So cliché, it pays to be patient  
Even though we waited, inside I was anxious

With these lemons we made  
The sweetest lemonade  
(Oh)

Swept me off of my feet  
I was on the edge of my seat  
With you next to me, I'm complete  
Like magic  
(Oh)

In the heat of it all  
We were like the leaves in the fall  
Floating colorful in the wind  
It's magic

I'm proud to be a part of something sweet  
I'm proud to say, we still got lemonade  
With these lemons we made the sweetest lemonade  
With these lemons  
The sweetest lemonade  
With these lemons  
The sweetest lemonade

(Sweetest, sweetest, the sweetest, the sweetest)  
Sweet  
(Sweetest, sweetest, the sweetest, the sweetest)  
Sweet  
(Sweetest, sweetest, the sweetest, the sweetest)

Lemonade  
(Sweetest, sweetest)  
Say it's the sweetest  
(Sweetest, sweetest, the sweetest, the sweetest)  
Oh  
(Sweetest, sweetest, the sweetest, the sweetest)  
Ah  
(Sweetest, sweetest, the sweetest, the sweetest)  
(Sweetest sweetest)  
Sweetest lemonade

With these lemons  
Sweetest lemonade  
With these lemons, oh oh  
Sweetest lemonade  
(Whoa yeah yeah)  
Sweetest lemonade  
With these lemons ah oh  
The sweetest lemonade

Sweetest lemonade
