

## Luv Kanye

Muni Long

I love (I love)

Yeah

Yeah

I can't let 'em do my nigga Yeezy greasy  
Treat 'em like a monster just for drinkin' Hennessy on TV  
It can't be easy livin' in them flashin' lights (Flashin' lights)

Learned that rap alliteration off of "You're My Type"

And that pink polo, did you know that you would touch the sky?

Had that ultralight beam way back in '05

"Through the Wire" blew up, I was still a kid

Graduation helped me get through stupid shit that I did (Yeah)

Can you believe it? Now you got a wife and kids (Uh-huh)

And Jesus walkin' with you, what a life you live (Yeah)

I knew I wanted to rap when Louis Vuitton Don

Spit the "Gold Digger" verse with a Gucci bag on, uh

It's no more parties in LA

Gotta drive slow in this Lamborghini Murci

And even though I hated 808s & Heartbreak

I bought it 'cause I love Kanye (Love)

And I heard him say (I heard him say)

Nothing's ever promised tomorrow, today (Today)

And I'm glad I did it the hard way (Hard way)

'Cause nobody could take it away

Man, I love Kanye

And I heard him say (I heard)

Nothing's ever promised tomorrow, today (Nothing's ever promised)

And I'm glad I did it the hard way (Yeah)

'Cause nobody could take it away

Who don't love Kanye?
