

# Made For Me

Muni Long

Mm (Ooh)  
Ooh

The smell of your perfume  
I thought I was immune  
Lookin' around this room  
Can't help but see the traces of you (Of you)  
This moment is surreal  
I can't put into words how I feel

Twin  
Where have you been?

Nobody knows me like you do (Nobody)  
Nobody gon' love me quite like you (Nobody, yeah)  
Can't even deny it, every time I try it  
One look in my eyes, you know I'm lyin', lyin'  
Body to body, skin to skin (I'm never gon' love like this)  
I'm never gon' love like this again (Again, yeah)  
You were made for me (You were made, just for me)  
Said you were made for me (You, only for me, yeah, yeah)  
Think you were made for me (Oh yeah)  
You were made for me

See, I didn't know there could be someone for me  
Someone completely and fully, oh my  
Every night, look in your eyes  
Touchin' your body, I'm so satisfied  
Caught in my feelings whenever you go  
Never found love 'til you and I didn't know, and I  
I didn't really believe someone like me  
Someone so lonely and broken as I  
Could ever be someone to share all of my life

All of the love that I had deep within, twin (Twin)  
Where have you been?

Nobody knows me like you do (Nobody)  
Nobody gon' love me quite like you (Nobody)  
Can't even deny it, every time I try it (Can't even deny it)  
One look in my eyes, you know I'm lyin', lyin' (One look in my eyes, ooh)  
Body to body, skin to skin (Body to body, ooh)  
I'm never gon' love like this again (Never gonna love like this)  
You were made for me (You were made just for me)  
Said you were made for me (Only for me, yeah, yeah)  
Think you were made for me (You were made)  
You were made for me (For me)

Made for me (Ooh)  
Made for me (You were made)  
Made for me (For me)  
Just for me, mm  
Da, da-ra-da-da-ra-da, da (Ooh, ooh-ooh, ooh)  
Da, da-ra-da-da-ra-da, da (Ooh, ooh-ooh, ooh)
