Muni Long

Baby, don't be offended  
If I don't let you off in it  
Tell me how much you spendin'  
Less than a mil', I'm offended  
Don't be offended  
If I don't let you off in it  
Tell me how much you spendin'  
Less than a mil', I'm offended  
Offended, offended, offended (With' my Fendi on)  
Offended, offended, offended (In this Fendi thong)  
Offended, offended, offended (With' my Fenty on)  
If I don't let you off in it  
Nigga, don't be offended

Everybody want something that they can't have  
This booty ain't up for grabs  
Ain't none of your business what the tag is  
Do you know how much the muhfuckin' tag is?  
Girls like me don't eat at Rally's  
I be eatin' crab legs and salads  
Bougie ain't the word, I'm stylish  
If you broke, boy, you childish  
If I don't let you off in it  
Nigga, don't be offended  
Swear you a G, you pretendin'  
How come I know that your Bentley is rented?  
I see why niggas do hoes the way they do  
How does it feel to know the ho is you?  
Yeen solid, I can see through  
The one with' the money  
The one make the rules

Baby, don't be offended  
If I don't let you off in it  
Tell me how much you spendin'  
Less than a mil', I'm offended  
Don't be offended  
If I don't let you off in it
