

Plain Jane

Muni Long

(The Directors)
Ooh-ooh
Ooh
Oh
Yeah

No makeup
No lace front
Just lay back
In my wig cap
Ayy
Just plain Jane
Same old same
Lookin' plain Jane

Uh, nigga, you not finna tell me
You can not see all this beauty
Even with the Set It Off braids, I know damn well I'm a cutie
Headscarf with a doobie
Eatin' Popeyes, yeah, the two piece
Mix that lemonade with a cup of grape Kool-Aid

No makeup
No lace front
Just lay back
In my wig cap
Ayy
Just plain Jane
Same old same
Lookin' plain Jane

Plain Jane
Ain't gon' have no shame
I know what I look like when I put on all my chains
Plain Jane
Never had no shame
I know what I look like when I put on all my things

No makeup
No lace front
Just lay back
In my wig cap
Ayy
Just plain Jane
Same old same
Lookin' plain Jane

Ooh
Regular degular
Regular degular
Regular degular
Regular degular shmegular
Just leave all that shit
For now
