

Played Yourself

Muni Long

Niggas ain't shit
Niggas ain't shit, shit
Niggas ain't shit
Niggas ain't shit, shit
Niggas ain't shit
Niggas ain't shit, shit
Niggas ain't shit
Niggas ain't shit, shit

I made mistakes in the past
But I still found my way
Took a while but I finally found out that these niggas all the same
Blowing up my phone
Any time I'm in your state
Nine times out of ten all you want to do is eat the cake

Oh
As soon as I decide to love on myself
And post some pictures with my goodies all out
You double tap and like that shit, it's heartfelt
Yas, bitch, you know you poppin'

When your ex keep calling 'cause his new chick boring
Ain't no spinning, stay your ass over there
When your ex keep calling, turn 'em text green on 'em
What's a cheater know about playing fair?

How does it feel
To know that you played yourself?
Oh
How does it feel
To know that you played yourself?
Yeah

I am the table, I come with some bands
Niggas don't like when you fuck with they mans
They don't regret it, they hurt they got caught
They just be mad that you fucked up they plans
Fuck these niggas, just make your money, sis
Don't be cuffing these niggas in public
It's embarrassing
I can't handle when niggas think with they dick
Soon as you get in that gym and you get a little slim
They slide in your motherfuckin' DM, talking about "How you been?"
Don't be falling for that trick, you know the trip
Promise I won't never do it again and did

When your ex keep calling 'cause his new chick boring
Ain't no spinning, stay your ass over there
When your ex keep calling, turn 'em text green on 'em
What's a cheater know about playing fair?

How does it feel
To know that you played yourself?
Tell me, how does it feel
To know that you played yourself?

Tell me, how does it feel
To know that you played yourself?
Tell me, how does it feel
To know that you played yourself?

Tell me, how does it feel (How does it feel)
To know that you played yourself? (So tell me, how it feel? Oh)
How does it feel (How does it feel)
To know that you played yourself? (To know that you played?)

Niggas ain't shit
Niggas ain't shit, shit
Niggas ain't shit
Niggas ain't shit, shit
Niggas ain't shit
Niggas ain't shit, shit
Niggas ain't shit
Niggas ain't shit, shit
