Muni Long

Long ago and oh so far away  
I fell in love with you  
Before the second show  
And your guitar, it sounds so sweet and clear  
But you're not really here  
It's just the radio

Long ago and oh so far away  
I fell in love with you  
Before the second show  
And your guitar, it sounds so sweet and clear  
But you're not really here  
It's just the radio

Don't you remember you told me you loved me baby  
You said you'd be coming back this way again baby  
Baby, baby, baby, baby, oh, baby  
I love you, I really do

Loneliness is a such a sad affair  
And I can hardly wait to be with you again  
What to say to make you come again  
Come back to me again  
And play your sad guitar

Don't you remember  
Don't you remember you told me you loved me baby  
You said you'd be coming back this way again baby  
Baby, baby, baby, baby, oh, baby  
I love you, I do, I really do
