

The Baddest

Muni Long

Love is harder when you're rich and you're a dime
Don't need you to spend no money, let's spend some time
Held you down and then you violate my trust
These boys do not deserve my love

How come you wanna have your cake and eat it too?
If I did what you did to me right back to you
You would chuck the deuces up, it'd be a dub
These boys do not deserve my love

Sometime you don't know what you got until you lost it
Go 'head and ruin something special being toxic
By the time you finally get it, it's too late
When you hear this song, it's gon' resonate
Whoa

You F'ed up, yeah, you fumbled
And I'm way too high saditty to be humbled
You used to make me cry, now I just laugh
'Cause I'm the baddest bitch you ever had, whoa

I'm learning
None of you really don't deserve me
Not if all you want to do is hurt me
Know you gon' regret this looking back
I'm the baddest bitch you ever had
I'm learning
None of you really don't deserve me
Not if all you want to do is hurt me
Know you gon' regret this looking back
I'm the baddest bitch you ever had

Remember when you told me you was going to the studio (Studio)
But you was really at the telly messing with them groupies though (Groupie hoes)
Make me want to fire off on you bad
With a mink, mink, mink real fast
I'm crying, I'm packing my bags
And also I'm taking your stash

How you gon' disrespect me when I let you get it all?
You really that insecure, it ain't my fault
It's gon' be his loss
And it's all because these niggas don't deserve my love

Sometime you don't know what you got until you lost it
Go 'head and ruin something special being toxic
By the time you finally get it, it's too late
When you hear this song, it's gon' resonate
Whoa

You F'ed up, yeah, you fumbled
And I'm way too high saditty to be humbled
You used to make me cry, now I just laugh
'Cause I'm the baddest bitch you ever had, whoa (That you ever had)

I'm learning

None of you really don't deserve me
Not if all you want to do is hurt me (Hurt me, yeah)
Know you gon' regret this looking back
I'm the baddest bitch you ever had

I'm learning
None of you really don't deserve me (None of you niggas don't deserve me)
Not if all you want to do is hurt me
Know you gon' regret this looking back
I'm the baddest bitch you ever had
