

# The Words

Muni Long

When we first met  
I would've never guessed  
You would be my ex  
Oh, we had some good times  
I was yours and you were mine  
Oh, now I'm cryin' every night  
I wanna make it right

If I could turn back time  
I would go back to the night  
You hurt me first  
And I would kiss you right before you said the words, the words  
The words that broke up our forever  
The reason why we're not together  
Oh-oh, oh, oh-oooh

The words, the words, the words (The words)  
The words (The words)  
The words, the words, the words (The words)  
The words

When you get that angry  
Watch what the fuck you say  
Don't put your pride in the way (Yeah)  
And I really hate  
When it's B-I-T-C-H  
So don't call me out my name

If I could turn back time  
I would go back to the night  
You hurt (You hurt) me first (Me first)  
And I would kiss you right before you said the words, the words  
The words that broke up our forever  
The reason why we're not together  
Oh-oh, oh, oh-oooh

The words, the words, the words (The words)  
The words (The words)  
The words, the words, the words (The words)  
The words

(Nah-oooh)  
Don't like when you talk to me like that (I don't)  
Don't say things you can't take back  
Hmm, I know you didn't mean it (I know you didn't)  
But you already hurt my feelings (Hurt my feelings)  
Don't like when you talk to me like that (I don't like it)  
Don't say things you can't take back (Oh, oh)  
Hmm, I know you didn't mean it (Woah-oh, oh-oh, oh)  
But you already hurt my feelings (Already hurt my feelings)  
Don't like when you talk to me like that (Yeah, baby, know your hurt me)  
Don't say things you can't take back (Oh, baby, why you hurt me?)  
Hmm, I know you didn't mean it  
But you already hurt my feelings (Yee-ee, yee-ee, woo-woo)  
Don't like when you talk to me like that (No-oh, oh-oh)  
Don't say things you can't take back (Yee-ee, yee-ee)  
Hmm, I know you didn't mean it (Oh-oh, oh-oh)

But you already hurt my feelings (Already hurt my feelings)
