Muni Long

Bae, can we parlay at the Waffle House? (Waffle House)  
Meet me 'round the way when the club let out  
At the Waffle House (Yeah), at the Waffle House (Waffle House)  
Say, can we parlay at the Waffle House? (Ayy)

Put one in LA, that's a wealthy investment  
I love ATL 'cause ain't no Waffle House in Texas  
Maybe it's in Nevada past the Vegas exit  
Know it's 3 a.m., but I'm fiending for some breakfast

Gimme that waffle well done with the scrambled eggs  
And that cinnamon raisin apple butter bread  
It's so thick up in here, can I order, please?  
I don't want no sushi, I ain't in the mood for Japanese  
I been dancing all night in the VIP, yeah  
After this it's Magic City, watch 'em strip, yeah  
Swisher Sweets, Hennessy, QuikTrip, yeah  
With the toaster on my hip (Brrap, brrap, brrap)
