

# Wax

Muni Long

Oh, ohh  
Oh-oh  
Yeah (Hardwerk)

You're the plug  
And that's just why I'm in love  
I'm an addict, you're a drug  
Ain't no separating us, no

You put the over in lover, can you come over?  
Because mi casa su casa, my Casanova  
I know my mama don't like you, but she'll be okay  
Baby, you blow me away like it was my birthday  
Like a candle how you melt me  
Never felt like this, yeah, I'm melting  
Just like wax, hit the dab, concentrate and relax  
After just one hit you'll be melting

Like wax (Wax), ooh, like wax (Wax)  
Wax (Wax), ooh, like wax (Wax)  
Wax (Wax), ooh, like wax (Wax)  
Meting (Ooh), melting

Careful now  
Hold my hand and don't look down  
We so high up in the clouds  
Hope we never hit the ground, no

You put the over in lover, can you come over?  
Because mi casa su casa, my Casanova  
I know my mama don't like you, but she'll be okay  
Baby, you blow me away like it was my birthday  
Like a candle how you melt me  
Never felt like this, yeah, I'm melting  
Just like wax, hit the dab, concentrate and relax  
After just one hit you'll be melting

Like wax (Wax), ooh, like wax (Wax)  
Wax (Wax), ooh, like wax (Wax)  
Wax (Wax), ooh, like wax (Wax)  
Meting (Ooh), melting (Like wax)

Melting like wax  
Melting like wax  
Melting like wax
