

# I Want to Kill the President

Municipal Waste

He says I'm too young  
To party so I sit here  
Pissed and bored  
But if he's mad at a country  
He can send me off to war  
Now I wanna kill the president  
Takes all the money out of my pay check  
And tells me to drive slow  
He's gonna learn his lesson  
Man the fuckers gotta go
