

Come Home

Munn

What if you flew a thousand miles?
To come and see me for a while
Would that be fine?
What if we danced and fell in love?
Well, you never left 'cause that's enough
Would that be fine?

What if we proved to everyone?
That said distance would tear us apart
What if we showed them real love?
That my heart is wherever you are

So please, come home
Hmm, hmm, hmm
Please, come home
Hmm, hmm, hmm

What if we never had to say goodbye?
And I could kiss you goodnight
Could you imagine life?
Imagine driving in my car
Singing songs under the stars
In the moment where we are

What if we proved to everyone?
That said distance would tear us apart
What if we showed them real love?
That my heart is wherever you are

So please, come home
Hmm, hmm, hmm
Please, come home
Hmm, hmm, hmm

So let's hold on a little longer
Everything we fantasized will be real life, I swear (I swear)
Imagine summer with the families
Those late nights and campfires, it'll all come true

So what if we proved to everyone?
That said distance would tear us apart
What if we showed them real love?
That my heart is wherever you are

So please, come home
Hmm
Please, come home
Hmm
