God, I'm Trying

Munn

I've done the best I can
But I'm far as hell from a perfect man
I think I'm good but what is "good" again?
If I come up short then what's the consequence?

And what are the deadly sins?
Can one be worse than another is?
What if I die in my ignorance?
I'm lost in living life

In need of some (Answers)
God, send me a (Savior)
When flesh turns to bones
I don't know where I go

So show me who You are (Show me)
How can I know of God that I can't see?
And tell me what's Your name
If I call on Jesus, will He answer me?

The world says that I'm good enough
And a life lived well is all that God could want
But I'm not so sure, I think they're all mixed up
'Cause I read this book, they told a story of love

'Cause like it's not me but the grace of God
That gets me home when my time is gone
And I'm starting to believe but it's been so hard
'Cause I'm lost in living life

In need of some (Answers)
God, send me a (Savior)
When flesh turns to bones
I don't know where I go

So show me who You are (Show me)
How can I know of God that I can't see?
And tell me what's Your name
If I call on Jesus, will He answer me?

'Cause God, I'm trying
I'm not just crying
In denial

I've done the best I can
But I'm far as hell from a perfect man
I think I'm good but what is "good" again?
If I come up short then what's the consequence?
