

I Lost Myself

Munn

I lost myself that night
I threw it all away
Those are the things I've hated
Then I went and caved in
I'm a mess right now
My heart is in two places
Half is back at home
The other's off and racing

I've been
Running, and running, and running, and running away
I know they'll catch me
I'm running, and running, and running two opposite ways
Two opposite ways

I can't let my past catch me now, me now
I can't let my past drag me down, me down

I lost myself that night
I threw it all away
Recall my mother's words
But it was far too late
I feel the burden now
It's weighing down my soul
And I can't catch my breath
'Cause these demons follow

I've been
Running, and running, and running, and running away
I know they'll catch me
I'm running, and running, and running two opposite ways
Two opposite ways

I can't let my past catch me now, me now
I can't let my past drag me down, me down
I can't let my past catch me now, me now
I can't let my past drag me down, me down

I swear I've changed
But you don't care that
I'm not the same
You'll always haunt me
I swear I've changed
But you don't care that
I'm not the same

I can't let my past catch me now, me now
I can't let my past drag me down, me down
I can't let my past catch me now, me now
I can't let my past drag me down, me down
