

Lights OFF

Munn

Sit alone and let out a cry
Hoping they're rushing deep on my side
Don't get me wrong, I know it's selfish
But I'm, not gonna lie (I'm not gonna lie)
Pain overrides me so I turn off the lights

I can't find my way
So I live with the lights off
Scared to turn back on
Worried they'll all run
It's mixed up in my head expectations of love
These memories harm me
I'm worthless they say buried in my past
I can't get away

Sit alone and let out a cry (cry)
Hoping they're rushing deep in my side
Don't get me wrong, I know it's selfish
But I'm, not gonna lie (I'm not gonna lie)
Pain overrides me so I turn off the lights

Ooh (With the lights off)
Ooh (With the lights off)
Ooh (With the lights off)
Ooh (With the lights off)
Ooh (With the lights off)
(With the lights off)
Ooh (With the lights off)
