

Loved Us More

Munn

It tears my heart out to see you hurt
When I'm the one to blame, it doesn't get much worse
It was never easy to let us go
We reached the side of love I hope to never know

This wasn't what we planned for, I had hopes for us
But everything we've built now has crumbled into dust
I'll pray it's for the better
That you find what you're looking for
You know I'll always love you, but I loved us more

Loved us more, ooh
Loved us more, ooh

I know you've been lonesome, but I'm the same
And I'd be lying if I said that ever changed
And honest to God, I miss who we used to be
But the journey's long to make it back for you and me

This wasn't what we planned for, I had hopes for us
But everything we've built now has crumbled into dust
I'll pray it's for the better
That you find what you're looking for
You know I'll always love you, but I loved us more

Loved us more, ooh
Loved us more, ooh
Loved us more, ooh
You know I'll always love you
But I loved us more

I wanna reach out and tell you I love you
But I know it's far too late
We'd built something up, but if although
Your time is too precious to waste
I wish that you'd call me and say
That you want me, but it's not the same as before
I'll always love you, but I loved us more

Loved us more, ooh
Loved us more, ooh
Loved us more, ooh
You know I'll always love you, but I loved us more
Loved us more, ooh
Loved us more, ooh
