

## stumbling block

Munn

How can you look me in the face  
A continuous smile as I drag you through trials  
I know that I'm needing some change  
I should be your disciple but I've become your idol

I'm tired of being your stumbling block  
I know I need to stop, but I can't get myself to quit  
I know I take more than I give  
I've been this way since I was a kid  
I know I'm damaged  
Lord, give me the strength to manage this  
I know I'm damaged  
Lord, give me the strength to manage this

I feel like every day's the same  
I'm dying in denial  
My spirit needs revival  
Why can't I learn from my mistakes?  
My cynical desires are putting out your only fire

I'm tired of being your stumbling block  
I know I need to stop, but I can't get myself to quit  
I know I take more than I give  
I've been this way since I was a kid  
I know I'm damaged  
Lord, give me the strength to manage this  
Come break these chains  
I'm shackled to them  
I know I'm damaged  
Lord, give me the strength to manage this  
In Jesus' name I'm asking you

I'm tired of being your stumbling block  
I know I need to stop, but I can't get myself to quit  
I know I take more than I give  
I've been this way since I was a kid  
I know I'm damaged  
Lord, give me the strength to manage this
