

wings to fly

Munn

Hey, love
Don't answer if I call
I'm gonna take an adderal
And soon I won't feel sad at all, I
I make up a story of the day
I tell you how I'm feeling great
The medicine's become my veins

So wait for me to sober up
And I'll be back in touch with my emotions
Right now, baby
I need wings to fly
I'll be back in time
To make this whole thing right
It's better if I lie

Hey, love
I'm carrying this weight
And I wanna tell you everything
But I'm too scared of what you'll think of me and take off
I hate how far it's gone
You've no idea the pills I'm on
I know, I know, I know it's wrong

So wait for me to sober up
And I'll be back in touch with my emotions
Right now, baby
I need wings to fly
I'll be back in time
To make this whole thing right
It's better if I lie

Better off a lie
Better that it's mine
Better if I hide

My wings to fly
But I'll be back in time
To make this whole thing right
It's better if I lie
Better off a lie
Better that it's mine
Better if I fly
