

Without Ya

Munn

I feel
Like a kid again when I'm around ya
No big deal
But I wish it didn't take 20 years to find ya
Gives me chills
Every time that you whisper in my ear
The reasons you love me
You make me feel something again

Ooh
Tell me what I gotta do to pull you closer
Pull you close (Yeah, mmm)
Ooh
I need someone to hold me down
'Cause when I'm around ya
My feet can't touch the ground
Can't touch the ground, yeah

You've been running laps around my brain
Wouldn't be the same without ya
Without ya
Can't feel nothin', numb when you're away
Hoping you don't change when I'm without ya
I'm no good without ya

I didn't know it
You'd be the only one that I'd wanna run to
At my lowest
You kept me holding on to you

Ooh
Tell me what I gotta do to pull you closer
Pull you close (Yeah, mmm)
Ooh
I need someone to hold me down
'Cause when I'm around ya
My feet can't touch the ground
Can't touch the ground, yeah

You've been running laps around my brain
Wouldn't be the same without ya
Without ya
Can't feel nothin', numb when you're away
Hoping you don't change when I'm without ya
I'm no good without ya

Ooh
Tell me what I gotta do to pull you closer
Pull you close (Yeah, mmm)
Ooh
I need someone to hold me down
'Cause when I'm around ya
My feet can't touch the ground
Can't touch the ground, yeah
