Murda Beatz

Doctors
If I go today, I want the nigga dying, go find him
They gon' swing the bin with them choppas singin' like opera
Get the first pick, I'ma be the man on my roster
Like fuck the opposition

And I bought a new gun, 'case the old one get old (Ooh, woah, oh-oh)
Do some shit ain't nobody knows (Ooh, woah, oh-oh)
Go some places where nobody goes (Ooh, woah, oh-oh)
Look at couples they givin' me goals
Takin' pictures we throwing them four's (Yung Lan)
Tryna to argue, you doin' the most (M-M-M-Murda)
It's no question you say I got hoes
But I'm in the streets
I'm sellin' drugs, ain't givin' no love
I'm thinkin' that you wanna leave
You sayin' you good but when I come back you wanna bitch, you wanna beef
But I'm paranoid just sittin' right here
You daddy a junky he be chasin' with beer
You know I'ma kill him if he come near

We gon' send 'em to the doctors
If I go today, I want the nigga dying, go find him
They gon' swing the bin with them choppas singin' like opera
Get the first pick, I'ma be the man on my roster
Like fuck the opposition

Hoping he would be right there but he is not no witness
First date went so good we kissed thought it was not no kissin'
You had left me, then came back, I thought you ain't had no feelings
I see you and me, I see you and me

I'm livin' dangerous
Lil' niggas dyin' it be painless
More like he should've been knowin', that my niggas on, the fuck is you thin kin'?
Fuck smokin' on 'em, we pour it and we keep pourin', fuck is you drinkin'?
Lay on the money is borin', them niggas caught him, fuck is you plankin'? I get in my feelings with it
I keep 'em 'round 'cause they really with it
I'm stuck in my feelings with it
I lay you down and you really get it
You stuck in the pillow with it
And why would I sit here and lie?
Don't want you to cry, but if he get close, you know what come next
Ain't wastin' no breath, that boy gotta die

We gon' send 'em to the doctors
If I go today, I want the nigga dying, go find him

You had left me, then came back, I thought you ain't had no feelings
I see you and me, I see you and me

Oh, ayy, ayy, ayy, ayy, ayy-ayy-ayy
Oh, ayy, ayy, ayy, ayy, ayy-ayy-ayy
I see you and me, I see you and me

First date went so good we kissed thought it was not no kissin'
You had left me, then came back, I thought you ain't had no feelings
I see you and me, I see you and me (Trill got the juice, nigga)

Uh, I see you and me, I see you and me (Hundred bands for a kilo)
Ayy, ayy, ayy, I see you and me, I see you and me
