

Good Evening

Murda Beatz

(Murda on the beat so it's not nice)

3PM

She wanna keep goin' when it's 3PM

Ride with the homies when it's 3PM

Like what you doing 'round 4?

Would you go in other cities, goin' with me on a tour?

Steppin' with me on the mat, goin' with me on the door

I got your feet all in the water, would you do me on shore?

And get the same shit to you, that you were here around four

Like, "Good afternoon", ho

Good evening

I heard about your ex, about you leavin' him

I heard about the fights, about you leavin'

You say you got beat before, he tried to get me leaving 'em

Baby, it's on the floor, you pick it up, you believe in 'em

So keep on goin' with your day, ayy

He don't love you anyway

He don't love you, he don't love you anyway

Please, let me, talk my shit

Niggas gettin' sentimental, let me call my bitch

And ask her what she doin', knowin' I know what it is

Or ask her where she at, know she probably in the crib

Textin' to the GM, to the bitches in the way

So shout out to the BMs that's never in the way

Or shout out to the real ones, got me stuck in situations

'Cause he don't take the time off, just to touch you on the daily

Like, "Good afternoon", ho
