But hunnids on hunnids on hunnids on hunnids
Nigga watch how I run it
We been getting money
I won't stop thumbing
Through these hunnids on hunnids
Hunnids on hunnids on hunnids on hunnids
She told me she loves it
But bitch I ain't cuffin', I'm loving the money
I don't want nothing
But hunnids on hunnids on hunnids on hunnids
Nigga watch how I run it
Nigga watch how I run it

Watch how I run it, ho
Do it for all my bros
In the club thirty deep
We brought a lot of poles
Strip a ho on the pole
She bring a lot of dope
Hit for a hall of goal
You know how we get down
You see the articles
Look at it, in the kitchen we be cooking it
Look at the work we been putting in
Your girl want me so I took her in
But only want until the morning
Bad bitches only foreigners
Get all my work imported
Boss man I'm important
I need some whip and some horses
Need to make sure that I'm straight
Make sure there's food on my plate
Couple mills stuffed in my safe
A big house with some gates
Stunt on niggas that hate
'Cause we started from the ground up
Only real niggas around us
Free all my dawgs in the slammer

Hunnids on hunnids
Hunnids on hunnids on hunnids
Nigga watch how I run it
We been getting money
She told me stop fronting

I don't want nothing
But hunnids on hunnids on hunnids on hunnids
Nigga watch how I run it
We been getting money
I won't stop thumbing
Through these hunnids on hunnids
Hunnids on hunnids on hunnids on hunnids
She told me she loves it
But bitch I ain't cuffin', I'm loving the money
I don't want nothing
But hunnids on hunnids on hunnids on hunnids
Nigga watch how I run it
Nigga watch how I run it
