Murda Beatz

Murda on the beat so it's not nice  
And I'm feelin' so clean  
Mike Amiri demin and them kicks is McQueen  
Double G's on my T  
LV for the belt, feelin' so clean  
And them kicks is McQueen  
Hunnid bands wasted on my motherfuckin' jeans, uh  
And them rackaids on me  
Mike Amiri demin and them kicks is McQueen  
And I'm feelin' so clean  
Mike Amiri demin and them kicks is McQueen, yeah  
Double G's on my T  
LV for the belt, feelin' so clean, yeah  
Mike Amiri for the jeans  
Diamonds in my fist and you know they be freeze, yeah  
I put on for my team  
Bust down Rollies for the clique, on me, yeah

Walkin' with no diamonds shinin' on me  
I hit the club, you know that fire on me  
I ain't lackin', please don't try me, homie  
Fresh out the trap, you know that I ain't homie  
I'm flexin', yeah, you know I'm flexin'  
Diamonds on my necklace, and I roll up with the pressure  
My young niggas reckless, yeah, they ride with it for the pleasure  
Know we keep them tools, let niggas know we defensive  
Hit the trap in a Jaguar truck  
She get wet when them bands go up  
Hit the strip and you know I'm throwing dubs  
All the blue's, I can't do no ones  
And we do this shit for fun  
My pockets weigh a fucking ton  
Diamonds dancin' on me, feel like King Tut  
And my shooter got that .40, better run

And I'm feelin' so clean  
Mike Amiri demin and them kicks is McQueen  
Double G's on my T  
LV for the belt, feelin' so clean  
And them kicks is McQueen  
Hunnid bands wasted on my motherfuckin' jeans, uh  
And them rackaids on me  
Mike Amiri demin and them kicks is McQueen  
And I'm feelin' so clean  
Mike Amiri demin and them kicks is McQueen, yeah
