Murda Beatz

24hrs

And you know it's Rex Kudo  
Don't tell nobody  
M-M-M-Murda

She said...

"I don't text your phone 'cause I know that you be busy  
You don't call my phone when you touch down in the city  
I've been ridin' solo, wish that you was rollin' with me"  
She said, "Twenty come and get me  
Twenty come and get me  
I wish that you was rollin' with me  
I wish that you was rollin' with me  
I wish that you was rollin' with me"

It's 4 A.M. and I can't sleep  
Thinkin' 'bout your body  
Your body callin', you naughty  
Ten bands in Follies  
Roller coaster on mollies  
Callin' my phone crazy  
Now I don't want no voicemail  
I don't wanna talk on no voicemail  
"Where you at Twenty?" Toronto  
Wanna go to Toronto  
Callin' me her daddy  
"Twenty take me to Vegas"  
You came up this year  
Really glad you made it  
I know they hate it  
But your shit is the greatest

"I don't text your phone 'cause I know that you be busy  
You don't call my phone when you touch down in the city  
I've been ridin' solo, wish that you was rollin' with me"  
She said, "Twenty come and get me  
Twenty come and get me  
I wish that you was rollin' with me  
I wish that you was rollin' with me  
I wish that you was rollin' with me"

In the drop top Mercedes  
Had to cut off my lady  
Smokin' on a pound of the good gas  
Yeah young Twenty got the hood pass  
I want new Chanel, baby  
I want YSL, baby  
I might go to Paris  
Get a yacht and we can sail, baby  
Ever been on a yacht? Fuck you on the spot  
Give you what I got  
Hundred K a month, buyin' what I want  
Dressed in Saint Laurent

"I don't text your phone 'cause I know that you be busy  
You don't call my phone when you touch down in the city  
I've been ridin' solo, wish that you was rollin' with me"

She said, "Twenty come and get me  
Twenty come and get me  
I wish that you was rollin' with me  
I wish that you was rollin' with me  
I wish that you was rollin' with me"
