

Heady Murphy

Murs

...turns me on

Let me give you some head
I eat your pussy while you pull my dreads
Lay on your face, then spread your legs
I, I do my best to leave a mess on your bed
I said, baby, let me give you some head
I eat your pussy while you pull my dreads
Lay on your face, then spread your legs
I, I do my best to leave a mess on your bed

She had a booty like the Q-Tip song
I said, I said "Bonita, come and hit this bong"
She said, she said, "I never seen a dick so long"
She like to say the type of shit that would get me sprung (Uh)
She was gassin' me, she shook that ass for me
She had a [?], she was known internationally
She was the queen of the scene with her mean kiss (Mwah)
Real shit, poor [?] never seen this
Lips, lips like luxury
I was lucky that she even chose to fuck with me
Actually, she got with me reluctantly
My homeboy chose a homegirl so she was stuck with me (Ha-ha)
Heh, I take it how I get it
Never been a pretty nigga though, I admit it (Ha)
But I eat the pussy like a champion (Whoo)
That's why every lady needs a tramp (Come on, ooooh)

Let me give you some head (Ooooh)
I eat your pussy while you pull my dreads (Ooh)
Lay on your face, then spread your legs
I, I do my best to leave a mess on your bed
I said, baby, let me give you some head (Ooooh)
I eat your pussy while you pull my dreads (Ooh)
Lay on your face, then spread your legs
I, I do my best to leave a mess on your bed, yeah

Grab my head and grind my face
Then pull my dreads and wind your waist
That pussy poppin', I can't wait
Girl, don't stop, I like the taste (Whoo)
Grab my head and grind my face
Then pull my dreads and wind your waist (Ooh)
That pussy poppin', I can't wait
Girl, don't stop, I like the taste (Mwah)
