

## Murs Daywalker Intro

Murs

It's over  
And ain't nothin' anybody can do about it now

What you gonna do then?  
Well, mmm, that's what I've been sitting here contemplating  
First, basically I'm just gonna walk the Earth  
What you mean "walk the Earth"?  
You know, like Kane in kung-fu  
Walk from place to place, meet people, get in adventures  
And how long do you intend to walk the Earth?  
'Til God puts me where he wants me to be  
And what if he don't do that?  
If it takes forever then I'll walk forever
