

Never Eat

Murs

This is for the niggas out there talkin' 'bout they don't eat (Fool)
You shut yo' ass up, switch
You know, some of y'all niggas be eatin' the same pussy for years
But I guess that's kinda the same figure

I was on the ave', so you know I'm sellin' tapes, right?
Then this girl passed by with hella body, damn!
I wonder what her face like, we cross paths again
She look good, I like the vibe, huh, wonder what she taste like
Kept it to myself, asked her name, no games (Excuse me)
But just some conversation, we talked 10 minutes
Asked her 'bout her reservations for the evening
She said she ain't know me that well, huh, but before leavin'
She gave me the number, wonder what would come of it
We talked a few times, had a lot in common
Everything I like, she loved it
A sociology major, wanted to work with the public
I said "that's all good", but when can we kick it?
She said it was fine for me to slide through the crib
I took a shower, got dressed
Brought "The Streets Is Watching", huh, you know how that is
She opened up the door, and gave me a hug
Hoped I had clean socks, no shoes on the rug
I took a seat on the couch, she sat right next to me
Then turned off the lights and we started the movie
She said it couldn't possibly be as good as I told her
I smiled, she put her hand on my shoulder
Then we got to the scene, you know, the one
Where the two girls go at it on the steps
I looked at her, she looked at me
And I took a deep breath, thinkin' "I know she'll let me eat it"
But will she let me beat 'em?
Now I'm not conceited, but I do a good job
Hella wanna brush my teeth, but I can't, so I spit and wipe the slob from my
grill
I know it's odd, but still, you see I like the way it feel
Wit' your legs around my neck, I began to suck
She started to convulse and sweat
I got up, put a helmet on my bed
This girl was hella wet so I slid right in
Feelin' like I can fuck all night
When I mixed with the hen, we started to blend
First the bottom, then the top, from the back against the wall
And then she just stopped: I'm about to go fin
But she looked at me and said
She wanted to try some positions from this Kama Sutra book she had read
Then she tossed her leg behind her head
To show me she was flexible
This girl was a freak of the nature that is sexual
The shit was incredible, we tried a few more
I said "I never done no shit like this before"
I layed out on the floor, no idea what for
But what I do know, is it got real intense
(Huh) If you don't know what comes next, well, you're just too dense (Maaaaa
n)
We both came in the game, hit the showers to rinse
Then went back to the bed to lay down and contemplate

She put her head on my chest, slipped it underneath the covers
And gave me my H! This girl had talent on me
Wanted to scream like a punk, but held it in like a G
Woke up about 3 and did it all over again
Jumped out of bed about 10
But in all relater, so no time for a shower so
I had to leave the house smellin' like ba-dussy
A word to the wise, if the feet is dirty, nigga, never eat the pussy

Don't ever, ever! (Hahaha)
Ever, ever, ever, ever, ever
Eat- eat- eat- eat
The pussy
