

## Otha Fish

Murs

It took a second to register up in my brainium  
My dome, my head, my skull, my cranium  
My eyes have had enough, it was time to do some talkin'  
I had to creep through the hound-dogs that were stalkin'  
This slimmy caught me peepin', this means she wasn't sleepin'  
On who I was, so she crept in like a hawk  
In a minute's time, we adjourned to the floor  
Ooh! I hit a high note cause of the way that she was walkin'  
We got into the groove, I didn't bust no, uh, hip-hop moves  
I just kept it nice and smooth  
Next thing you know, we got together, word, I thought we'd be forever  
Didn't have an um-ber-ella, now I'm soaked in stormy weather  
Whether two birds of a feather fly or fall it'll be together  
Never sympin, and leave your love life limp  
There'll be no suicide attempts for this slim-trim kid  
Cause you know there's otha fish in the sea, that is, in the sea  
In the sea that is

In the sea  
You know there's other fish, in the sea, that is

I reminisce, try to clear up all the myths  
For an imaginary kiss with you again  
Not even friends, though I wish that I could mend  
Like a tailor and be Olive Oyl's number one sailor  
I ams what I am, still I falls like an anvil  
She's heavy on the mind sometimes it's more than I can handle  
But men aren't supposed to tumble into the den B  
Macho, but a honcho like Pancho will give in  
Family oriented, but not Oriental  
A dame is supposed to claim ya even if you drive a Pinto  
A hero is a sandwich, and a Manwich is a meal  
A marriage is a paper, are they fakin or for real?  
What's the deal dabbers? Will you go tumbling after  
Your man and take a stand or will you help him roll faster?  
The reason why I ask you is because I'm sick of this  
Bitch lickin drip drip from a niggas benefits  
He doesn't even suit ya and he's surely not ya size  
I'm surprised that you slept on a heart that's worldwide  
And when ya open up ya eyes, babe, my mate, I really wish  
That ya don't bruise a limb, as ya swim with otha fish in the sea  
In the sea that is

In the sea  
You know there's other fish, in the sea, that is

Now, if there ain't no mountain high enough  
Why ain't you climbin' up?  
My hand has been extended every since the day I lent it to ya  
I thought I knew ya, but I didn't even know ya  
Bro, you're stupid, cause ya thought you'd captured Cupid  
And you found that love ain't two whiffs of shit  
So I resign and quit  
It ain't even about the hips, or the lips or the tits or  
Even the pussy whip, Elizabeth, this is it  
Because I slipped and I tripped into a shoe that didn't fit  
And now the next man is stealing my heart away

I'd charge him like a bull, but his pull never fades me  
The kid is going crazy, they steppin' with my lady  
Their workin' on a baby, I'm pushin' up the daisies, but  
Hey diddle diddle, I won't play second fiddle  
To no man and stand firm on this  
And seal up on the bliss with a big juicy kiss  
Just call me Big Gibraltar miss  
No, I won't diss, I'm just like all the otha fish in the sea

In the sea  
You know there's other fish, in the sea, that is
