

# So Close So Far

Murs

Why would I hold a grudge against you  
Or even pretend to I know it hurts your feelings  
But its not like I meant to  
Why would I offend you your the one that I'm in to  
A queen so complex a king so simple  
Two different types of affection  
Life stay puling us in different directions  
Share the same roof but we losing affection  
Saying Wi-Fi but we lacking that connection  
We make up and keep it going  
Every now and then we gotta reset the modem  
Best friends still need to check in  
And when I don't ask you about your day that's disrespecting  
Truly neglecting playing Destiny 2  
And its for you that I was destined  
Waiting on tomorrow but tomorrow is today  
And when tomorrow comes your already too far away

Feel so close, still so far apart  
Coming real close, it might all fall apart  
Cuz love takes work, that's on both of our parts  
And when that love works its like a work of art

There she go there she go watch her shine  
Its like god made a light that's all mine  
I see you everyday but I don't tell you all the time  
Sometimes you need distance to distinguish to divine  
You kinda need that perspective  
Our love is too pure for contrceptives  
Remember when I text you that shit  
Two week later you was pregnant as shit  
Its a trip its been ten years  
The same people with the same faults and same fears  
But still I bring tears to your eyes  
I should know you well enough that I should never make you cry  
And sometimes it gets so bad you should know me well enough  
That you should never make me mad  
Its sad that when we give each other the blues  
But as long as we fighting for love we never lose

Feel so close, still so far apart  
Coming real close, it might all fall apart  
Cuz love takes work, that's on both of our parts  
And when that love works its like a work of art

So close, so far  
Sometimes we can get real close to falling apart  
Love takes work but when our love works  
I just want to be your work of art  
So close, so far  
Sometimes we can get real close to falling apart  
Love takes work but when our love works  
I just want to be your work of art
