

# Superhero Pool Party

Murs

Bishop can I tell you a story for night night  
Yea, okay  
What do you want the story to be about  
Umm I don't know  
Can I tell you about the time papa had a superhero pool party  
Yeah  
Okay, are you ready?  
Yeah  
Who's your favorite superhero?  
Black Panther and Spiderman  
They weren't invited, fuck them

Superman just broke the diving board  
Went grass fighting with the baby from the Dinosaurs  
Not the mama, hook brought the drama  
Cause Rufio and Lost Boys fucking up some commas  
Back To The Future, Marty and Doc Brown  
Cursing Kanye cause he brought the Nike stock down  
Soundwave tripping, he ain't nothing but a artifact  
People buying vinyl but cassettes ain't coming back  
Speaking of comebacks, I just saw Voltron  
Rolling with the Thundercats getting their smoke on  
He passed the joint over to DJ Lance Rock  
Who had his boombox bumping Welcome to Jamrock  
Black Lightning came through with Static Shock  
Talking bout they the comic book Biggie and Pac  
I said shut the fuck up, where T'Challa and Storm go?  
He said they in the bathroom making a porno

S to the U to the P-E-R  
Too many bad guys at the bar  
So the H to the E-R-O-E-S  
Had to find another place to have a turn-up fest  
I said a 3 to the 2 a 2 to the 1  
Who said the good guys can't have fun  
1 to the 2 a 2 to the 3  
We boutta have a superhero pool party

Wonder Woman rolled up with her girl Jean Grey  
With some shitty ass bean dip from Frito Lay  
She-Hulk saved the day with some bomb guacamole  
Same color as her skin with a plate of ravioli  
Outta nowhere, Flash came and ate the whole plate  
When I went to swing on him, he vanished without a trace  
Iron Man pissed he always been a foody  
I said don't be mad, Marvel makes better movies  
He was drinking with Starfire trying to take her shirt off  
I had to kick him out because he was being a jerk off  
Then I heard a sound I never heard before  
Like the whole house now was on the verge of war  
Hulk was in the front yard fucking with Thor  
Good thing I hired Wolverine to work at the door  
I told em both to shut the fuck up, come in and have cupcakes  
Just one night without fights for fucks sake

S to the U to the P-E-R  
Too many bad guys at the bar

So the H to the E-R-O-E-S  
Had to find another place to have a turn-up fest  
I said a 3 to the 2 a 2 to the 1  
Who said the good guys can't have fun  
1 to the 2 a 2 to the 3  
We boutta have a superhero pool party

I told Batman no capes in the pool  
And Catwoman tried to steal all my infinity jewels  
Look jewels, gems, I really don't give a fuck  
Professor X fell out his wheelchair  
Nobody picked him up  
Aquaman asked me if he needed a hand  
Popeye was trying to smoke all of his green out a can  
Swamp Thing was shrooming with the Animal Man  
And the Ninja Turtles just robbed the pizza man  
Somebody told Shield and they sent Maria Hill  
To investigate the Domino's crime  
Now Starfire's topless and I can't stop it  
But the Titans say she do it all the time  
Johnny Blaze told Johnny Storm that he was more litty  
I told both niggas that they wasn't fucking with me  
Why you think Starfire keep pulling out her titties  
Cause I got the hottest pool party in the fucking city

Spiderman was the best, because everyone liked him  
When I tell him, everybody  
But Bishop, Spiderman's not in my story  
Yeah?  
Yeah, I left him out, cause fuck Spiderman  
Did Black Panther come?  
Fuck Black Panther and Spiderman
