

That's Him

Murs

Everything is all, again
Stretch
It's just a wonderful day

Murs 3:16
That's not our, MCin'

You can't even understand what I'm sayin' right now
It doesn't matter, I want you to know why

Because Murs said so!
I had so many steps in the game
I completely forgot that I was racin' you lames
So are you eatin' or smokin' the dust that I kick up?
It's really all the same when these bitch niggas seem to take a fall in the game
Big Murs picked up
Was gon' call this album somethin' like "The Stick Up"
But I completely forgot it
But when I throw this CD in yo' face, bet you empty out your pockets
And when I'm with my crew, it's like too many to choose
These fools actually be confused like them white boys in the Midwest
Bumpin' Pac shit, I rock shit
Beats, I freak 'em sick, what's up to the Geek 'Em Clique?
Lookin' for the hot chicks so we can spit, plot thick
That's Lisa, Nicole, Carson
The girl gotta be at least a nickel
Or startin' to appreciate and value how you represent the West
In a bright orange bubble goose, and matchin' Yankees
Cap a dime and Jesus on your chest
You really should watch who's dick you suck
'Cause you never see no fool from New York in Dickies, the jux
"What's up, dun? ", speakin' in a tongue that don't belong to you
Wait, that's like half the West Coast, nigga, what's wrong wit' you?
Who the fuck cut the ball out of bounds and put yo' ass in control?
I do a Mike T, and put yo' ass on a stroll
Tell you: "fuck your engineer, fuck your producer, fuck your label
Just basically, fuck your career on the whole!"
I be on patrol, double-L's finest
Designed this as a blanket, to cover up the whack
Like liners, mind this, instead of your business
'Cause it's probably more productive than that broke ass four track your wha ck producer
That you be choosin' to fuck wit'
Suck at, de-generation X
Everybody seem to got they foot through the door
So we penetratin' next, eliminatin' next
This is strictly for the heads
Step out of line, I'm guaranteed to go fed
Expressin' my contempt for the courts you walked on
Your show about as live as the board that this lesson got chalked on
Bitch!

That's him!
That- Tha- That's- Tha-
And you's a bitch if you didn't buy my last tape
That's him!

That- Tha- That's- Tha-
And you's a bitch if you didn't buy my last tape
That's hi- hi- him!
That's- Tha- Tha
And you's a bitch if you didn't buy my last tape

My last tape was dope, and guess what? (It still is)
Like lemonade was the popular drink
Rockin' your think tank until it runneth over
I done it sober, I done it drunk, and still can't remember the name
The morning after I served a punk
Heard you want my spot
Well I really hope not, I'm dealin' Do-Lo dome shots to get jerks
Frontin' they Armani Exchange
But more like the home shoppin' network (Haha)
Put so much effort into this music, it's like I sweat work
And some days I still think I'll never make it in this biz'

But tii-ii-iiime, is on my side...

The best is now, my nigga, I know you know somebody who probably got
More freestyles than me
But I'll tell you that shit, if that's what it takes to get you to buy a CD
See, there's a theme here: support
And thank you for yours
Fight our business tactics, I'm bankin' you whores
On sight, on me, and on mics
They've never been no ceremony masters
As soon as they see me comin', they screamin' and runnin'

That's him!
That- That's- Tha- That's-
And you's a bitch if you didn't buy my last tape
That's him!
That- Tha- That's- That's-
And you's a bitch if you didn't buy my last tape
That's hi- hi- him!
Tha- That's- That's- That's
And you's a bitch if you didn't buy my last tape
That's him!
That- Tha- That's- That's-
And you's a bitch if you didn't buy my last tape

I just don't think it's fair
'Cause, I mean, I just heard of Living Legends
I don't know why he has to call me a bitch
I don't know why he- he has to use that word all the time
And, I mean, I mean, it's not my fault
That- I mean, they're underground, what do you expect, I mean-
I just found out about 'em, I like their shit
I like the whole independent-
But why do I have to be a bitch? Why me?
Man, shut yo' bitch ass up
