

Whatuptho?

Murs

What up tho?
This is Murs
The new album, most likely you picked this shit up 'cause you a
, underground hip-hop consumer
Or you just tired of me yellin' at yo' ass out in front of the
club
Either way, this Good Music!
From Mid City, L.A., California
Alright, now I want you to forget everything
Everything you heard about me
What I been doing, what I ain't- what I- if I was whack
If I was a buster, if I was whatever
Forget it!
Forget the fact that you probably never even heard about me per
iod!
But it's all good
Good Music
