

Chickasaw Church of Christ

Muscadine Bloodline

Wonder how it feels on your last day home
Come find me later, we can get some time alone
Well, that seven months came and went, I couldn't find the words to say
So I pushed you to the side, I couldn't rain on your parade
Now tomorrow you'll be headed off, you're Tuscaloosa bound
My intentions ain't to second guess or you to turn it back around
Girl, you know how much I loved you, don't regret the the love we had
Let's just make the most of what we got of what the little time we have

And meet me at the place we can kill the lights
Maybe at the Chickasaw Church of Christ
Hell, we ain't even gotta say goodbye
Just kiss me like you mean it when it ends tonight

Ain't like we're dying, darling, wipe away your tears
Had ourself a good run for the last couple years
Like the night we spent in Uriah at the hunting camp we had
It was worth the 410 fear of god of your daddy chewing ass
When you lean in for the last one, burn a memory in my mind
First thing I remember when they bring you up sometimes
Girl, you know I'm gonna miss you when you leave us all behind
But thinking about tomorrow gets us nowhere tonight

Till you meet me at the place we can kill the lights
Maybe at the Chickasaw Church of Christ
Hell, we ain't even gotta say goodbye
Just kiss me like you mean it when it ends tonight

And no one's pointing fingers for the blame
And no one wants to have the one that got away
No, I can't stand the thought of not calling you mine
We're running out of time, so won't you put it in drive?

And meet me at the place we can kill the lights
Maybe at the Chickasaw Church of Christ
Hell, we ain't even gotta say goodbye
Just kiss me like you mean it, kiss me like you mean it
And meet me at the place we can kill the lights
Maybe at the Chickasaw Church of Christ
Hell, we ain't even gotta say goodbye
Just kiss me like you mean it when it ends tonight
Kiss me like you mean it when it ends tonight
