

Everyday That Ends in Why(2020)

Muscadine Bloodline

[Intro]

This is everyday that ends in why

[Verse 1]

Just when I think I'm out of the woods I go and get lost again
Sun sinks down memories rise and another lonely night begins
I see ya lookin' back over your shoulder
Haunted by a heartbreak over and over

[Chorus]

Why would I ever let an angel fly
Lord well I'll be wonderin' 'til the day that I die
Do I regret ever sayin' goodbye
Baby only everyday that ends in why
Why why why why

[Verse 2]

Just when I think I've hidden the past
Your picture still finds my eyes
Just when I think I've forgotten our song
A jukebox comes alive

[Chorus]

Singin' why would I ever let an angel fly
Lord will I'll be wonderin' 'til the day that I die
Do I regret ever sayin' goodbye
Baby only everyday that ends in why

[Bridge]

Do I listen to my head
I should've listened to my heart
Should've loved on faith from the very start
Maybe someday I'll let go
I hope to God someday I'll know
Why, oh why

[Chorus]

Why would I ever let an angel fly
Lord will I'll be wonderin' 'til the day that I die
Do I regret ever sayin' goodbye
Baby only everyday that ends in

[Chorus]

Why would I ever let an angel fly
Lord well I'll be wonderin' 'til the day that I die
Do I regret ever sayin' goodbye
Baby only everyday that ends in
Baby only everyday that ends in why
Why why why why
