

Porch Swing Angel

Muscadine Bloodline

Don't you put on that make up
We ain't going nowhere
Let's just sit on this porch swing
We can take it from there
It's the sound of the chain links
As we rock til it's night
And we can watch as the sun sets
In hopes of holding you tight

And be my porch swing angel
Got my heart strings tangled
Got those eyes that will bring you to your knees
It's her smile like sun days
Been a while but one day
Yeah that girl, she's the only thing I need

Want to tell her how I feel
But I don't want to scare her away
We've been friends for a long time
I don't want to change that today
But I'm sick of fighting these feelings
Cause I ain't slept in days
I'm tired of hanging on this limb
Cause I can't find the right words to say

Except be my porch swing angel
Got my heart strings tangled
Got those eyes that will bring you to your knees
It's her smile like sun days
Been a while but one day
Yeah that girl, she's the only thing I need

Be my porch swing angel
Got my heart strings tangled
Got those eyes that will bring you to your knees
Won't you be my porch swing angel
Got my heart strings tangled
Got those eyes that will bring you to your knees
It's her smile like sun days
Been a while but one day
Yeah that girl, she's the only thing I need
Yeah that girl, she's the only thing I need
