

## Crazy Days

Muse

I cannot sleep  
There's too much noise in my head  
I cannot sleep  
I want to be in here instead

Cause when I look at you  
I know that you will never let me down  
So why don't you just get out

I never thought that this could come to this  
I just want to live my wedded bliss in peace now  
Could you not hear my shout?  
But I can

To my dismay  
You went away  
I cannot sleep  
There's too much noise in my head

Cause when I look at you  
I know that you will never let me down  
So why don't you just get out

I never thought that this could come to this  
I just want to live my wedded bliss in peace now  
You could never miss  
But I can
