

Weakening Walls

Muse

Don't you hear prophecy
Can't tune out apathy
That doesn't mean that you can't change
Drive down a one-way system
But you can still choose the direction
Wake up and realize
You've got to realize
It's never too late to open your eyes
And see the changes going on
Time to wipe tears away
Trade away your future life for today
Tonight it gets better
I
I just can't stay
Stay until tomorrow
It's just too long for me
To sit in sorrow
I just can't stay
Stay until tomorrow
It's just too long for me
I
I just can't stay
Stay until tomorrow
It's just too long for me
To sit in sorrow
I just can't stay
Stay until tomorrow
It's just too long
