

Love me when I'm Gone  
Don't think that we can loose  
I know we'll make it easy

Mark my words it's never too late  
I just want to take my time  
Sorry honey not that fast  
I'm confused but I am fine  
Don't you worry baby what is said is done  
Don't be crazy love me sweet  
And then love me when I'm gone

Love me when I'm Gone  
Don't think that we can loose  
I know we'll make it easy baby  
Love me when I'm Gone  
I know you have a gun  
I love you when you're going crazy

Close your eyes pretend that I'm here  
and never want to say goodbye  
Want to be with you forever  
Never make you cry  
Don't you worry baby what is said is done  
Don't be crazy love me sweet  
And fuckin' love me when I'm gone)

But I know your heart is mine  
We will make like simply fine  
Because you don't want who's shy  
Will you ever be just mine?
