

Why

Mushmellow

Why?

Why you turned away
The different way
Exact the same
When we broke up
Why?

Why?

Don't you give a chance
You know I'm change
In different way
I'll prove this to you

And give me one more chance
Let's try again
Let me try again

I'll be with you
Until I die

Don't you fall away
Let's try again
Let me try again

I'll be with you
Until I die

Why?

Why?

Yeah

Why?

Why you turned away
You left space for mud and flame
You took my heart
It's not right

Why?

Don't you give a chance
You know I'm change
In different way
I'll prove this to you

And give me one more chance
Let's try again
Let me try again

I'll be with you
Until I die

Don't you fall away
Let's try again
Let me try again

I'll be with you
Until I die

Why?

Why?

Yeah
