

# Alive And Well

Musiq Soulchild

This life we live can be  
Kinda crazy to me  
'Unno what be goin' on  
'Cuz so much is goin' on

Maybe it's the TV  
Everything that I see  
'Cuz some things are make believe  
But some things make you believe

That if you get on the other side of the fence  
That your life will be much better than it is

But if you're a fat man  
Be a happy fat man  
And if you're a poor man  
Then be a happy poor man  
I'm not trying to sit  
and tell you not to better yourself  
But if you're alive and well  
Just be alive and well

This high society  
Has got me wanting to be  
Something that I am not  
Want everything that I ain't got

Sometimes I wish that I could be  
Someone other than me  
But the fact still remains  
Who I am will never change

Maybe it's the TV  
Everything that I see  
'Cuz some things are make believe  
But some things make you believe

That if you get on the other side of the fence  
That your life would be much better than it is

But if you're a fat man  
Be a happy fat man  
And if you're a poor man  
Then be a happy poor man  
I'm not trying to sit  
and tell you not to better yourself  
But if you're alive and well  
Just be alive and well

You are an original  
Ain't no others like you  
So beautiful, special, wonderful too  
And I know you wanna  
Find a way to put a little extra on it  
Ain't nothing wrong with trying to be more than  
Who and what you are

But if you're a fat man  
Be a happy fat man  
And if you're a poor man  
Then be a happy poor man  
I'm not trying to sit  
and tell you not to better yourself  
But if you're alive and well  
Just be alive and well

If you're a fat man  
Be a happy fat man  
And if you're a poor man  
Then be a happy poor man  
I'm not trying to sit  
and tell you not to better yourself  
But if you're alive and well  
Just be alive and well
