

# Hard Liquor

Musiq Soulchild

All the young folk talkin' 'bout turnin' up  
They ain't even been nowhere, don't really know what's up  
Don't get it twisted, this is not a diss song (Diss song)  
No, it's just a real song  
All you old heads always got something to say  
Yeah, I respect the game, but OG, you had your day  
(Yeah, you had your day)  
I'm just trying to figure mine out (Mine out)  
So sometimes I gotta ride out  
Do what works for me, I don't always know what it is  
Sometimes it's hard to see  
I can't tell whether I'm headed for hell or Heaven  
Oh well, guess we just gon' have to wait and see  
Either way it's up to me, so  
All I know is that I'm part of a generation  
Making up for some past mistakes and  
Yeah, I know we may not be the best role models  
But real life's a hard pill to swallow  
So that's why we...

Fresh, flicks, the best and nothing less  
Like to pretend if you win the stress hits your chest like some hard liquor  
Uh, hard liquor  
When your life what you like, just had a hard night (Hard night)  
Hungover, you know you ain't needin' another shot of hard liquor  
Hard liquor

When your moonshines hit the sunrise  
While you were trying to good night's... sleep  
Insomnia got you up, thinking 'bout all them thoughts and they addin' up

I won't complain, but I can say that I've been better  
Life's a bitch but I loved her since the day I met her  
We got more issues than I care to mention  
(Yeah, that I care to mention)  
Think we need an intervention (Yeah)  
Dark shades and aspirins (I need some aspirins)  
Crossroads and dead ends  
You don't always know how it's gon' turn out (Turn out)  
Gotta be smart about it or you could burn out  
It's finna change, here we go again (Here we go again)  
So toast to the world we in  
Yeah, might be a little hard today  
But tomorrow, we gon' still be here and we gon' be...

Fresh, flicks, the best and nothing less  
Like to pretend if you win the stress hits your chest like some hard liquor  
Uh, hard liquor  
When your life what you like, just had a hard night (Hard night)  
Hungover, you know you ain't needin' another shot of hard liquor  
Hard liquor

Take life, shot after shot  
Gotta hold it down whether you like or not  
Just like some hard liquor  
Just like hard liquor

Take life, shot after shot  
Gotta hold it down whether you like or not  
Just like some hard liquor  
Just like...
