

Have you ever had a day when  
Nothing goes your way  
All you do seems to be in vain  
And everything is just a waste of your time

But have you ever had that moment in life  
When everything is cool (yeah)?  
didn't have to worry about the time  
It all went as it should  
And you were having the greatest moment in life (yeah)

don't you worry about the past 'cause  
It's gonna be what it is?  
All that you can do is try to  
Make your future beautiful  
Just let it be the greatest moment in life

I remember almost every December when we were critters  
And mama said that there was only one thing she could get us  
When God must have been with us  
'Cause it is heavenly joy  
When you wake up Christmas morning to every toy  
Then there's the birth of my boy  
Here to inherit the rhythm  
And when I see it in him I ask myself what more can I give him?  
And I would love to but I can't spend every moment with him  
It's just those big ole eyes that encourage me to keep living  
Hey, ooh when I'm singing I'm sharing  
Or rhyming I'm shining my light  
And although the love is so blinding I still end up finding my wife  
All I can do is reminisce 'cause there eyes no rewinding my life  
But the future's so bright that it's almost blinding my sight

It's like all a sudden your life is so cool  
'Cause everything in it is working for you  
Your friends and your family are getting along  
It feels like when you hear your favorite song  
Or when you know that you got money to spend  
You never want that moment to end (repeat)
