

An opportunity was given me to die
I can tell you there is no such thing as fate
This is the war between yourself, God, or the devil
If you're awake, why don't you pull yourself together?

Do you wanna die unsatisfied?
Forever being on the run
Come on, come on, come on, come on
Do you wanna die unsatisfied?
Do you wanna be on the run?
Do you wanna die, do you wanna die satisfied?
Tell me who you are, not exactly fucking Einstein

Einstein

I am a doer and it's driving you insane
No particular peculiar, if I may say
You hold against me, now you're fine and doing better
Now we're at war and you are welcome, made my day, hey, hey, he
y

Do you wanna die unsatisfied?
Forever being on the run
Come on, come on, come on, come on, Albert Einstein

Go

An opportunity was given me to die
I can tell you there is no such thing as fate
You're telling me that we are in this all together
Now listen carefully to me as I forget her

So, don't you wanna die, don't you wanna die, satisfied?
Don't you wanna die, don't you wanna die, satisfied?
Do you wanna be, do you wanna be on the run?
Who the hell are you? Not exactly fucking Einstein
