

Lost in Control

Mustasch

Lost in control

Gone from the tip of my tongue
Frustrated and beyond
Like a never ending song
It goes on and on and on and on

Why goddammit
Oh I've had it
Crime 'til kingdom come

Lost in control, a long time ago
I lost faith in gods and in holy ghosts
Too smart to feel about anything
Sounds crazy but nothing will change me

Lost in control, a long time ago
I lost faith in gods and in holy ghosts
Too smart to feel about anything
It's driving you crazy

Lost in control, a long time ago
Lost in control

I wear my heart as a crown
You scream at the top of your lungs
What planet are you from?
It goes on and on and on and on

Why goddammit
Oh I've had it
Crime 'til kingdom come

Lost in control, a long time ago
I lost faith in gods and in holy ghosts
Too smart to feel to feel about anything
Sounds crazy but nothing will change me

Lost in control, a long time ago
I lost faith in gods and in holy ghosts
Too smart to feel to feel about anything
It's driving you crazy

Lost in control, a long time ago
It's driving you crazy
Lost in control, a long time ago
