

# Wasted

Mustasch

Rocket fuel man  
Staring at the sun  
Wonder where I am  
I am leaving reality  
Facing the unknown  
I'm walking on the moon  
I wonder what I do  
Am I leaving reality?

Na na na na na na na na na na  
Na na na na na na na na na na

I'm walking in the rain  
Another perfect day  
Is going down in flames  
I am leaving reality

I wanna share you my revelation  
I'm high as a kite on a new sensation  
I wanna share you my revelation  
I'm high as a kite on a new sensation

Wasted  
Ain't no misery I'm hated  
I don't give a shit, face it  
You don't wanna know  
Wasted  
Where I am, lost control  
Don't bother to tell me  
I'm just looking for more

(Na na na na na na na na na na  
Na na na na na na na na na na)

Flying upside down  
Do you care to join my ride?  
Reach and run as high  
Leaving reality  
Think we have a plan  
We're going back in time  
Staring at the sun  
We're all leaving reality

I wanna share you my revelation  
I'm high as a kite on a new sensation  
I wanna share you my revelation  
I'm high as a kite on a new sensation

Wasted  
Ain't no misery I'm hated  
I don't give a shit, face it  
You don't wanna know  
Wasted  
Where I am, lost control  
Don't bother to tell me  
I'm just looking for more

My right  
Is just staying in this hell hole  
Down here  
I'm doing what I please

My right  
Is just staying in this hell hole  
Down here  
I'm doing what I please

(Na na na na na na na na na)

Wasted  
Ain't no misery I'm hated  
I don't give a shit, face it  
You don't wanna know  
Wasted  
Where I am, lost control  
Don't bother to tell me  
I'm just looking for more

(Na na na na na na na na na)
