

Where Angels Fear To Tread

Mustasch

I am the enemy, I'm powermad
And you can't bring me down
I'm here to stand my ground
Do you wanna know how
Never surrender, that's the way I am
You wish for a better next life

The line between bravery and stupidity is thin
Don't pick a fight with me if you don't know how to win
You better run, flee fly fled
Fools rush in where angels fear to tread

I've been above you all my life
I'm gonna kiss the sky
You're fucking far too close, back down
Don't you cross that line
Never surrender, that's the way I am
Wish for a better next life

The line between bravery and stupidity is thin
Don't pick a fight with me if you don't know how to win
You better run, flee fly fled
Fools rush in where angels fear to tread

I am your enemy, I'm powermad
I am here to stand my ground
No surrender, that's the way I am
I've been above you all my life

You better run, flee fly fled
Fools rush in where angels fear to tread
