

## Joy Rides

Mutemath

It all went wrong today  
We'll dream the night away  
And maybe there's a trace  
Of a brighter side  
Cause if we're out of those  
It's over I suppose  
So smile

Let your tears fall off tonight  
Joy rides on the sun  
Everything will be alright  
Joy rides on the sun  
There's a new spark in the sky  
Mornings gonna come  
Let your tears fall off tonight  
Joy rides on the sun

Give me the bad news first  
Cause the good news is probably worse  
My feelings don't get hurt anymore  
It's always do or die  
And I don't have the time  
So smile

Hold on  
The world is our merry-go-round
