

Summer Love

Muzz

I'm in the race, I'm on the get-go
I wanna skate, I want the XO
(I want the XO)
One, two, three

Summer love
Summer love ends
Summer love
Summer love ends
Silence is sung
That we won't remember
Summer love (Yeah)
Summer love ends
And, and the silence is sung
That we won't remember
Summer love, yeah
Summer love ends
And I still can't let you go
I still won't let you go

I'm in the race

Summer love
Summer love ends
Silence was sung
That we won't remember
Summer love, yeah
Summer love ends
And I still can't let you go
I still won't let you go

Silence was sung
We won't remember
We won't remember
I'm in the race
